

Dancers Glow in the Dark

The first Thursday of school, August 18th, the Varsity Cheerleaders hosted a “glow in the dark”, back to school, bash. Many students, from grades 7th to 12th, attended, making it one of the most successful dances the high school has had. The dance took place in the high school lunch room, which was decorated in glow sticks and black lights. Those who attended enjoyed dancing the night away surrounded by friends. With all the dancing, the refreshments got gobbled up. They were provided by the cheerleader’s families. The cheerleaders would like to thank all those who attended, helped, and donated the tasty treats.

Flooding Affects Families

In today’s day and age we deal with a lot of man-made tragedies. Recently, in the state of Louisiana, a natural disaster occurred. It began with heavy rainfall in the state but it quickly turned into a state of emergency declared by the governor, John Bell Edwards. A lot of rivers and lakes reached new records of rainfall with a shocking 20 inches. Many people are being forced out of their homes and are left homeless with no food, water, or safety. Fifteen people have been reported dead from the horrendous flooding and recently forty-one were injured in an accident involving a bus carrying a relief team. Two people have been reported dead from the incident. There are many people suffering from the effects of disaster, including some people in our community that have family members there. Three organizations that have been helping a lot have been the Red Cross, Charity Navigator, and the Louisiana Debt Relief. You can help out by going online or by going to your local churches to send your love and support to the victims of this on-going tragedy. Please encourage your friends and family to help.

NHS Holds Honor Roll Party

On August 22, 2016, NHS held an Honor Roll party from 8:25am to 8:55am. The party was held to reward students for their academic achievement from the last 9 weeks. The party was a donut and beverage party, and it was held at WHS in the lunch room.

The students were released from first period the last half of class, giving them enough time to go through lessons. During the party the students got their well deserved gold cards. Throughout the year we will have multiple honor roll parties, all set up by NHS. There are even plans to take the party outside in the future!
